PETROTECH YOUTH FORUM- 2016

Energy Essay Competition

Introduction

- The oil and gas sector is among the six core industries in India and plays a major role in influencing decision-making for all the other important sections of the economy. India is expected to be one of the largest contributors to non-OECD petroleum consumption growth globally.

- With a growing young population, it is increasingly important to make youth aware of the hydrocarbon sector and recognizing the importance of involving more young people in the oil and gas sector.

Energy Essay competition

- Hence, to give youth a chance to speak up their mind about the vibrant Hydrocarbon Sector, Petrotech Youth Forum 2016 is organizing an Energy Essay Competition on the topic **"Relevance of Hydrocarbon sector in changing energy scenario"**.

- Students are requested to unleash their creativity and submit a write-up of no more than 2500 words on the mentioned topic latest by **15 November, 2016**. Submissions received after this deadline shall be disqualified from the Competition.

- Show us how thoughtful you could be!!!

- Write to win attractive prizes and a chance to showcase your talent at the Petrotech Youth Forum 2016!

- The organizers shall appoint a group of panelists who would review the essays in their sole discretion and will shortlist to select 10 finalists who will speak at the event (3 minutes each).
